

After re-kindling a love for problem-solving through programming in 2017, I'm now looking to embark on a career in front-end development. I have experience working in a variety of teams, working on a range of different projects. Teaching has given me the ability to work in a fast-paced, unpredictable work place effectively and with a range of people.

Skills

- JavaScript (ES6, Node, NPM)
- HTML
- CSS
- Bootstrap 4.0
- jQuery (v3.3)
- Git (using GitHub GUI but I'm learning the CLI)

Projects

- [Portfolio website](#): Originally, I made the site using only raw HTML, CSS with a little bit of JavaScript. However, I later redesigned it using Bootstrap – it's now easier to work with and is responsive. I have recently learnt jQuery and am using my site as an experimental platform to gain fluency.
- [Twitch Chat Bot](#): Written in JavaScript using Node.js and NPM. The bot uses the Twitch IRC API to get data about the stream and viewers. Authentication is via OAuth and I used tmi.js to make working with chat easier. The bot listens to and engages in simple conversation, responding to commands and requests made.

Completed courses

- Codecademy: Learn HTML, Learn CSS, Introduction to JavaScript, Introduction to jQuery & Make a Website.
- freeCodeCamp: Basic HTML and HTML 5, Basic CSS, Applied Visual Design and Applied Accessibility.
- Rails Girls London December 2017: Introduction to web development with Ruby on Rails.
- Human Resource Machine: Completed all levels (but I haven't completed all of the optimisation challenges yet!)

Previous Employment

Music Curriculum Leader, Sarah Bonnell School

Sept 2015 – Aug 2018

- Managed team of Music staff and peripatetic staff
 - Mentored instrumental staff with their development as teachers and musicians.
- Oversaw high-profile, cross-curricular events
 - Led the Expressive Arts (Music, Drama & Art) team on numerous successful, sell-out events.
 - Working with department heads borough-wide, I assisted with the direction of the Newham Community Opera, written entirely by students.

Music Teacher, Westminster Academy

Sept 2013 – Aug 2015

- Volunteered for role as Lead Internal Verifier for Music BTEC
 - Accountable for quality assurance, working with the Standards Verifier to ensure the assessments are fit for purpose and meets regulatory requirements.

Education

Postgraduate Certificate in Education in Music, Canterbury Christ Church University	2013 – 2014
BA (Hons) Music, Bangor University	2010 – 2013
